JÑĀNA YOGA FOR ANXIETY · A 21-DAY SHEET

The Basics, 21 days.

Nothing clever here, and that's the point. Tick a circle on each day you pull a lever. Three weeks is long enough for a small step to start feeling like yours.

Feed the body · Turn it down · Steady the mind

End of week 1

What moved? What else moved with it?

End of week 2

What's getting easier? What's still hard?

End of week 3

What will you keep? Which lever is next?

Pick one.
Skip the hardest. Take the lever you'll actually pull.

Shrink it.
The smallest step that moves it. A glass of water. Lights out twenty minutes earlier.

Miss a day?
Leave it blank and start again tomorrow. Failing is part of the practice.

Start where you are.
This isn't a test. Don't grade yourself. Be as kind as you'd be to anyone else.
